**FLORIDA ASSOCIATION OF COUNTIES
2006 LEGISLATIVE DAY
FSU Center for Professional Development
Leon County (Tallahassee)
March 29, 2006**

Every year during the legislative session, the Florida Association of Counties (FAC) hosts a legislative day exclusively for county commissioners and professional staff to enhance FAC's grassroots efforts and promote our legislative program. In addition, during this one-day event, FAC staff will provide legislative briefings on the current issues impacting county government. Your participation at these briefings is critical and your advocacy will help make the difference between counties prevailing on an issue. We will conclude our Legislative Day with a reception at Florida's Historic Old Capitol.
