2002 Edition

Directory of Manufacturing Companies and Technology Companies

A profile of manufacturing and technology companies in Sarasota County, Florida including a listing by Standard Industrial Classification (SIC) code.

SECTION 1: Technology Companies

SECTION 2: Manufacturing Companies

SECTION 3: Companies listed by Standard Industrial Classification (SIC)

Introduction

The 2002 edition of the manufacturing directory has been expanded to include technology companies located in Sarasota County. The products and services that these companies provide contribute to the vitality of our economy.

Sarasota County's manufacturing and technology companies are listed alphabetically in sections 1 and 2, respectively, and by their Standard Industrial Classification (SIC) in Section 3.

The company information includes: Company name; Address; Contact person; Position; Telephone; Fax number; E-mail; Website; Product; Year established; SIC; and Number of employees.

Acknowledgments

The Sarasota County Committee for Economic Development produced this publication with funds provided by the Sarasota County Economic Development Board. The data included in the directory have been obtained from a number of sources. The main source was information provided by the individual companies in their annual filing of the Sarasota County Occupational License. This information is updated annually and offers recent data available for each of the companies listed. Other sources included: STA MAIL TECH list; FL HiTech corridor list; Harris Selectory Online; the 2001 florida.high.tech publication; and the Suncoast Technology Alliance.

WE APPRECIATE YOUR UPDATES AND CORRECTIONS.

Please help us keep this directory current by supplying information about your company, or telling us about another company that should be listed here. Your assistance is greatly appreciated.
